

Romancing Christmas Blurbs

***Broken Protocols 3.5* by Dale Mayer**

When Charmin Marvin wonders when Christmas Day would be in their new time frame, he sets events in motion no one could have expected.

Dani and Charmin lost a lot when they were brought 200 years into the future. But nostalgia brings the possibility of Christmas back into Dani's life - if she can make it happen.

Levi hates to deny Dani anything, but all holidays were removed from his society by the government decades ago. He has no idea what she's talking about - and when he does research and finds out - he wonders if something can be done. And someone outside of their small family wonders, too...

Dani has the best of intentions - but creating Christmas in a world that no longer knows what a holiday is makes her life very complicated very quickly.
